Dear Cary:

Your performance at the school was so outstanding that I felt compelled to write this letter in appreciation. It has been a long time since I have seen our students so thoroughly "into" what was being performed on stage. You had them eating out of your hand -- laughing one minute, amazed the next, and completely entertained for the full 45 minutes.

Afterwards, students were making remarks like: "He really blew my mind; that was great; when is he going to return?" and "that was the best assembly we've had in three years".

We look forward to having you return soon.

Sincerely,

Jim Lloyd
